

List of competent authorities designated under Article 93 of Regulation (EU) 2023/1114 Markets in Crypto-Assets Regulation (MiCA)

Article 93 - Competent authorities

1. Member States shall designate the competent authorities responsible for carrying out the functions and duties provided for in this Regulation. Member States shall notify those competent authorities to EBA and ESMA.
2. Where Member States designate more than one competent authority pursuant to paragraph 1, they shall determine their respective tasks and designate one competent authority as the single point of contact for cross-border administrative cooperation between competent authorities as well as with EBA and ESMA. Member States may designate a different single point of contact for each of those types of administrative cooperation.
3. ESMA shall publish on its website a list of the competent authorities designated in accordance with paragraphs 1 and 2.

Note: Please note that for the Member States with an asterisk (*), competent authorities have not yet been formally designated (the information listed for those may in some cases be susceptible to change).
